

Erasmus+

Presentation of the call
and of the partner Istituzioni
A.Y. 2025/2026

Erasmus+ Programme

Erasmus+ (2021 – 2027) is the programme of the European Union for education, training, youth and sport, which allows a University student to be granted one or more Erasmus grants.

The programme enables you to spend a period of:

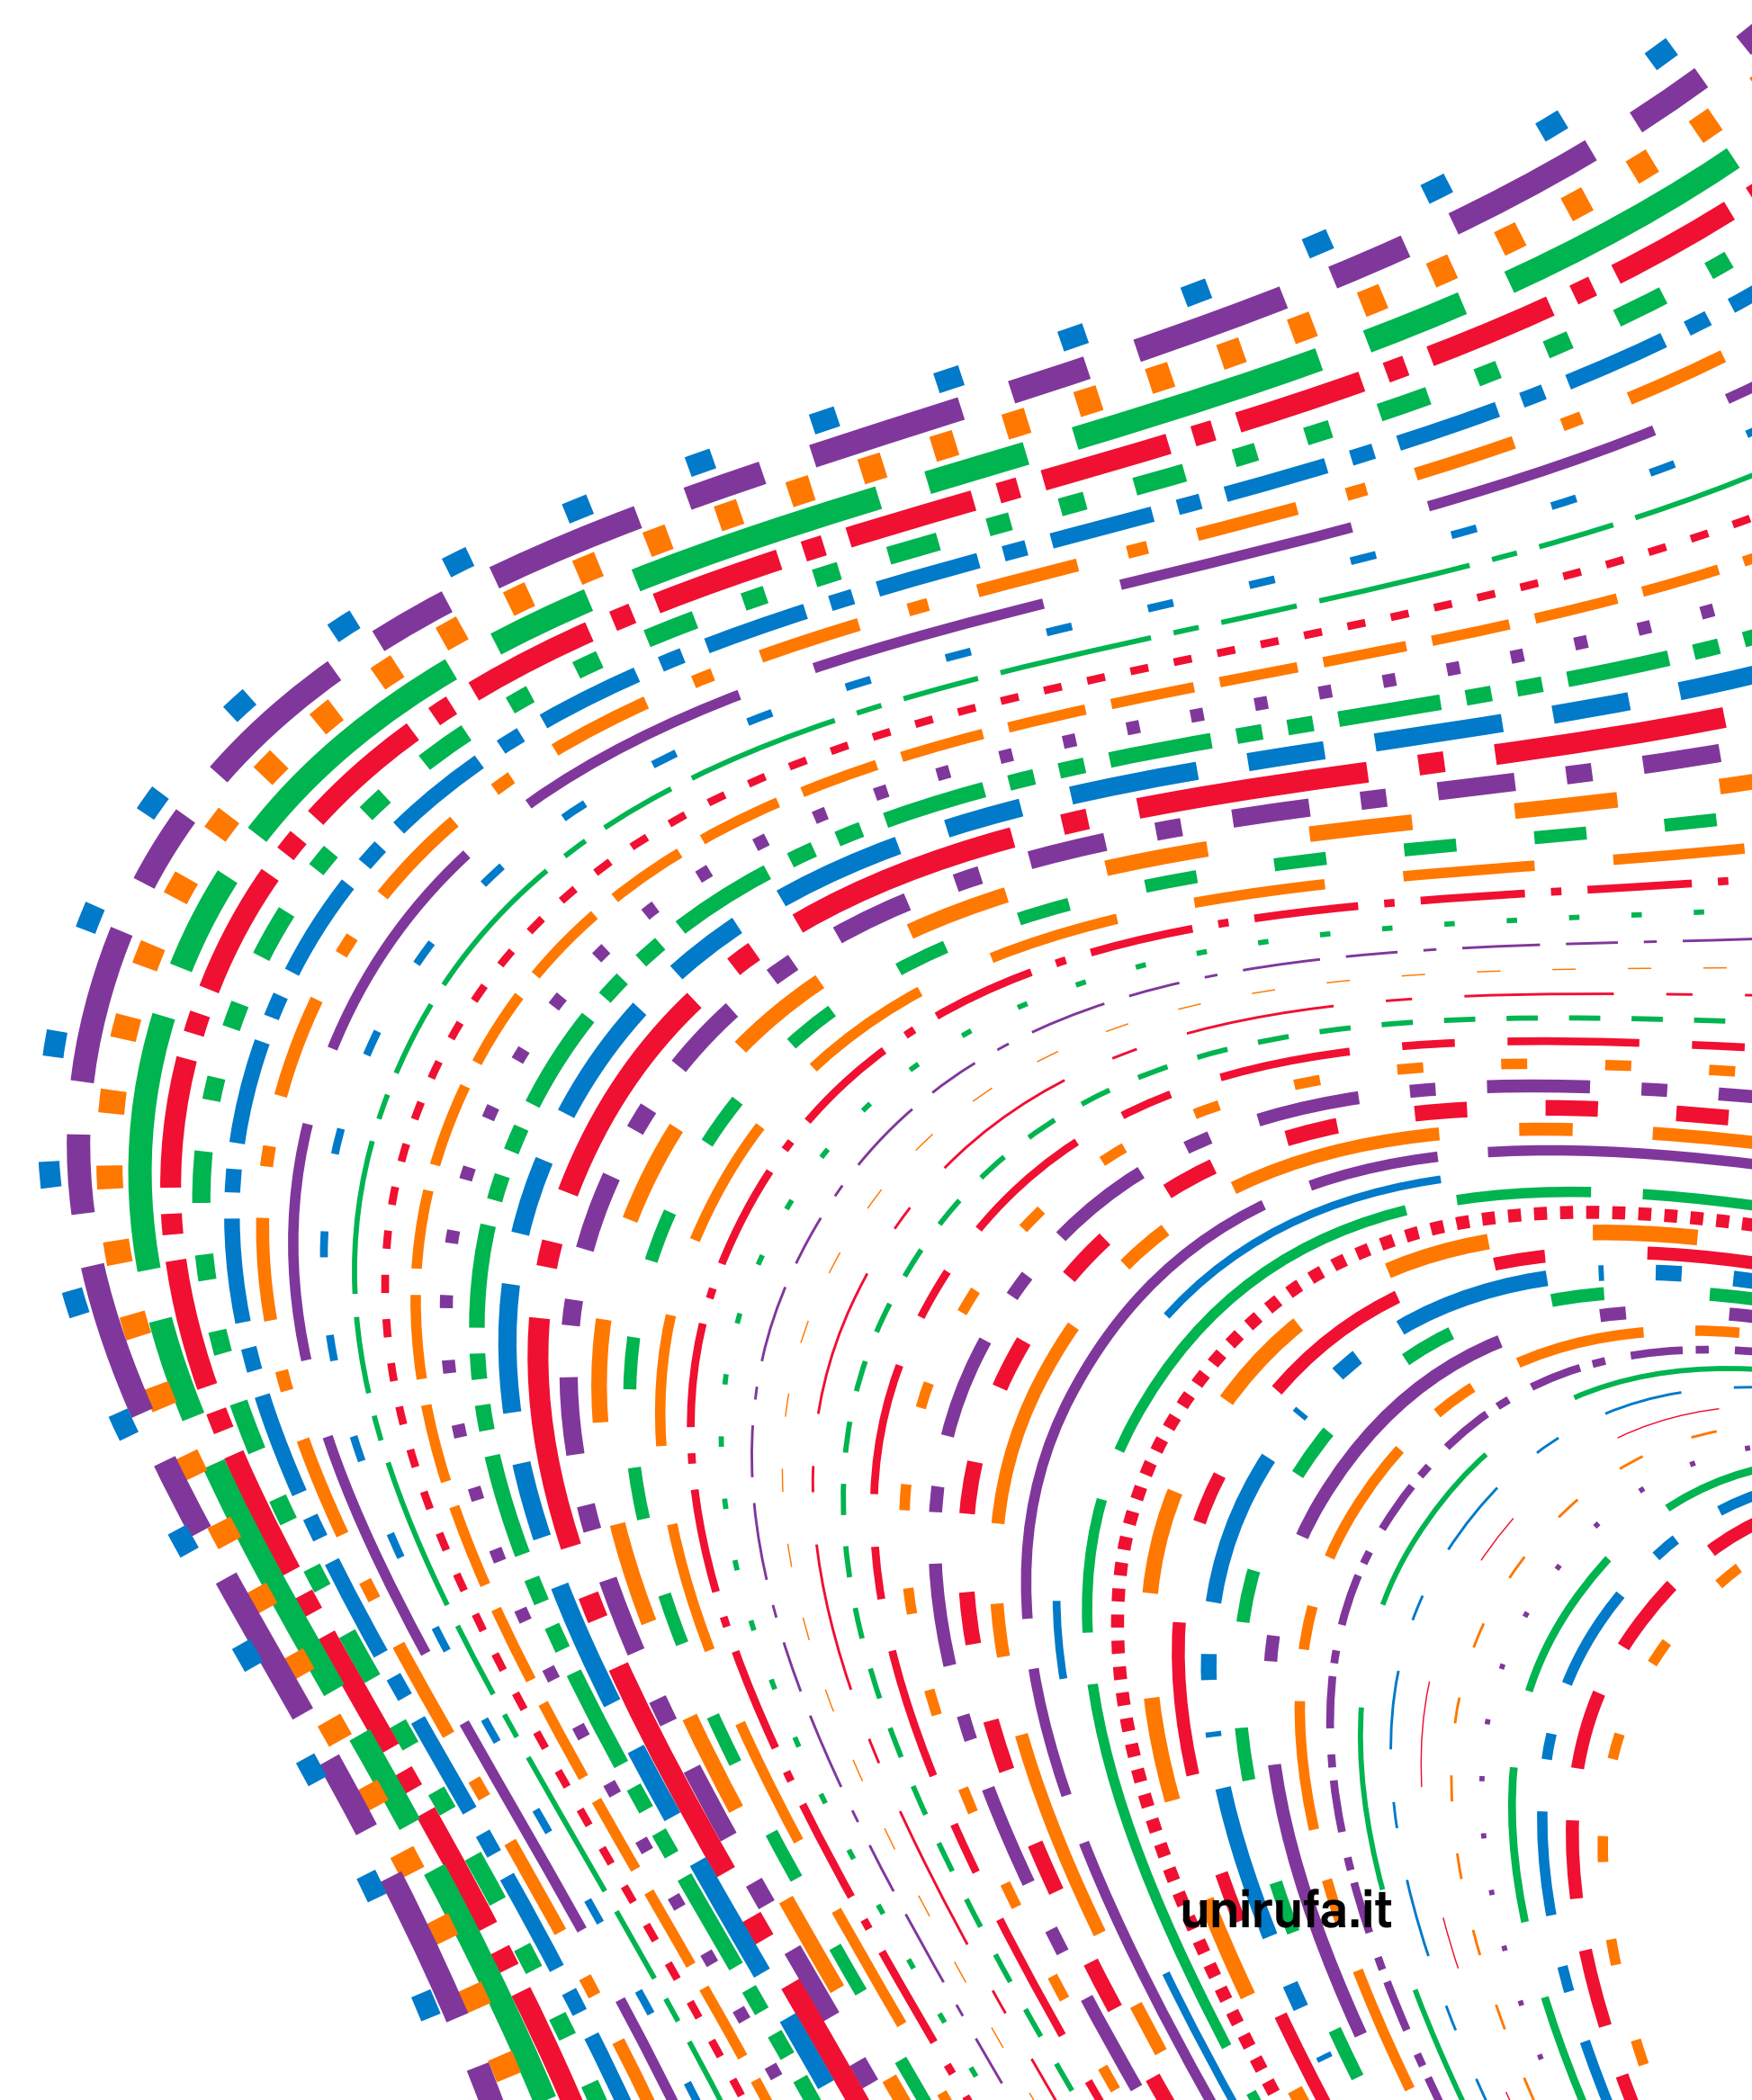

studies | internship

3 - 12 months

2 - 12 months

The objectives of the Programme

- Opportunity to study and undertake learning experiences in Europe.
- Learn foreign languages.
- Understand the culture of the host Country promoting a sense of integration amongst students of different Countries.
- Collaboration and skill strengthening for Institutions.

Erasmus in numbers

4MILLION

students

1/3

of erasmus students
met their partner
during the experience.

43%

students feel more
aware and confident
in themselves when
dealing with problems.

- 23%

less unemployment
than university students
who did not carry out
a mobility abroad.

Minimum requirements

- Be enrolled at least in the 2nd year of a Bachelor of Arts.
- A minimum of 40 credits (for students enrolled in the second year of a Bachelor of Arts).
- A minimum of 80 credits (for students enrolled in the 3rd year of a Bachelor of Arts) to carry out a thesis research mobility. It is mandatory to have passed the second year exam of the main courses and to the preparatory courses at the time of the application.
- Have an average grade higher than 27/30.
- Knowing a foreign language (level B1).

Minimum requirements for Master of Arts

- Be enrolled at least in the 1st year of a Master of Arts.
- Have achieved a Bachelor of Arts or a Bachelor's Degree with a final grade of at least 100/110 (for students enrolled in the first year of a Master of Arts).
- A Minimum of 40 credits (for students enrolled in the 2nd year of a Master of Arts) to carry out a thesis research mobility.
- Have an average grade higher than 27/30.
- Knowing a foreign language (level B1).

Thesis research

The following credits will be recognized to students on a thesis research mobility:

4 OF THE 8 credits foreseen for the thesis defense of the Bachelor of Arts

5 OF THE 10 credits foreseen for the thesis defense of the Master of Arts

Students enrolled in the third year of a Bachelor of Arts and in the second year of a Master of Arts, who apply for an Erasmus thesis research mobility (before the defense of the thesis itself), can attend one or more courses and take the exams related to their research at the host institution. Before the mobility, the students applying for thesis research, must obtain the written approval by email from the thesis supervisor, the coordinator and the tutor of the Degree Programme in which they are enrolled at.

**The exams will be held in the language of the host Country or in English.*

Online language courses – EU Academy

Through the Erasmus+ programme, the European Commission offers mobility participants online language courses.
